Welcome to our Easter issue of Elia's Express. As you can see, all the students have been busy since our last issue.

All the school went to the Magdalena to celebrate the Castellón festival and I have included some lovely photos of our trip.

Álvaro in year 3 has a lot to celebrate, as his exciting hobby has turned into a very serious sport. Read on to find out more.

Some of the students at the Magdalena.

Magdalena at Elia's

The whole school went on a trip to the Magdalena mountain on the 5th March to celebrate Magdalena.

This holiday is only celebrated in Castellón and lasts for whole week. Our children celebrated it with a day trip to the church up in the Magdalena mountain, surrounded by beautiful views.

The children were a little tired when we reached the top as it was quite a hike, all up hill! We listened to Miss Gemma tell us about the holiday and its significance, walked around the church and then had a lovely picnic then home and back to class. It was a great day and we all had lots of fun!

Thank you and well done to everyone.

Soon it will be Easter - Yippe!!

OUR BRILLIANT WORK

Each month we will include work done by students, so if you have written a short story, article or poem in class and your teacher passes it on to me, you might see it here!

Sport day

Yesterday it was the sport day in memory of Luis Monzonis. We ran and jumped. We were 4 teams: Red, Green, Blue, and Yellow. Sometimes we played outside, in the sports area and sometimes we were inside, making placards and receiving the diplomas. I had a really good time. It was fantastic. The green team was the winner.

Sports day

Last Friday it was the sports day at Elian's British school. I enjoyed a lot because all the sports were very funny and my favourite sport was the races.

There were four teams: yellow, green, blue and red. My team was the yellow. The winner was the green team and the yellow team was the second. We played in the sports patio.

I liked to wear a yellow shirt and the sport clothes.

The weather was very sunny and fantastic.

When the races were finished all the children were tired but happy.

The Happy Prince

The swallows wanted to fly away to a hot country. One swallow slept on the Statue the Happy Prince and the swallow slept. The Happy Prince was crying and the swallow helped the people and the Happy Prince is happy.

Acrostic Poems

Some sports are very easy to learn

People like me like do sports

Olympics games are all different sports

Races of running are sports races

Tiny people have to jump very high at basketball

Simple sports like football, tennis and basketball are interesting.

Elian's British School Castellón Open Day

On 27th March the school was open and the children had class, even though it was a Saturday!

We opened the school for parents from all over Castellón to come and look at what we do, maybe their children will be here in summer or in September!

It was a fantastic day, open from 10 o'clock until 1.30 in the afternoon, all the

children worked hard, as usual and worked hard the teachers too (even for a Saturday!)

Students who were here from years 3 to 6 sang songs from the Christmas play in the auditorium. They all tried hard and sounded wonderful! Amazing that they could remember the words after 3 months! They danced and sang their hearts out and the parents were very impressed (you should all be proud of

yourselves).

Miss Sarah and Miss Carolina were very happy with the hard work of all those involved.

Well done everybody who took part!

Driving at the age of 7!

Last Saturday, several teachers from all over the school went to watch a race in Benicassim but not just any race!

Miss Sarah, Miss Carole, Miss Lizzie and Mr Miro took a trip to see a famous Young racing star called Álvaro, from year 3, race.

He's only 7 years old, but already he's competing against (and beating) children 12 years of age!

He has been racing since he was very small and spends all

his free time practising - part of the reason he's so good!

He's also very talented and loves the sport.

The sport is so important to him and his family, that they all go to watch him race whenever they can.

Last weekend, Álvaro was awarded for 'Fastest The Lap' and proudly showed off his award in assembly.

He has a long career ahead of him.

Keep it up Álvaro and children remember:

Practice makes perfect!

REMEMBER:

Always try your best!
