

The Music Contest semifinal will take place on Wednesday 6th April in the auditorium at Elian's La Nucia. All participants have been working hard to be eligible to win a place in the final that will be held at Iale School on Wednesday 20th April.

Elian's, La Nucia has many and varied talented musicians; hardcore rockers playing AC/DC, young ladies singing Miley Cyrus or Taylor Swift songs, brave soloists performing on their own, classical pianists and even flautists that are able to hypnotize with their melodies. We wish them the best of luck and hope to see the best performances in the final at Iale School, Valencia.
