

Each key stage at Elian's, La Nucia joined together to produce a fabulous performance. The pre-school children presented 'Music from around the world', telling us about the diversity of music and cultures. Nursery children entertained us with 'Holidays' showing different transport methods and vacation places. Year 1 and Year 2 paid tribute to the famous band "ABBA". Year 3 and Year 4 performed their own version of 'Mary Poppins' and Years 5 and 6 became famous music stars dancing and singing to the music of 'Famous Groups and Bands'.

Our Secondary students put two plays on stage. 'El perro del Hortelano', a classic by Lope de Vega and 'Sheherazade, an Arabic themed musical.

Parents and teachers were impressed and very proud of the hard work and performances demonstrated by the pupils as we said goodbye to another academic year but we hope that you pop in to Summer School where you can choose to take classes in music, dance and drama from a range of specialist subjects.

Have a good Summer!
