

Swimming is one of this Summer's most popular activities at Elian's La Nucía, more than 50 children swim in the pool everyday, of course in different age and ability groups and turns. Music and Drama pupils are preparing performances of famous books such as 'The Gruffalo' and 'We're going on a bear hunt'. They are also composing music to accompany their performances and a range of activities related to the stories. Would you like your children to cook for you, look after your plants, make a beautiful bracelet or a coloured sand bottle? Well, you should have chosen Homecrafts at Elian's La Nucía! And what about a nice painting to hang in your wall? Art is the subject!

The students who took Reading and Writing and Listening and Speaking are improving daily their English and the Maths teacher says this Summer School's pupils are going to be top of the class next school year because they are working very hard. Spanish lessons are also being taught by our Spanish staff who are very proud of the progress their pupils are making this month.

Make sure you don't miss it next year!
