

Welcome Back to Secondary at Elians' British School, La Nucía!

All our Secondary students were anxious to start another academic year. Year 7 students because it's all new and exciting for them, years 8 and 9 because they are growing up!, year 10 students start their IGCSE studies this year and years 11 and 12 will sit exams they have never done before, IGCSEs and A levels.

We couldn't forget to mention our year 13 students who will be leaving us this year to go to university. We wish them all the best of luck.

Once more, a hearty welcome to all of the new and returning pupils of Elian's who together with their teachers are looking forward to yet another academic and extra-curricular year full of new knowledge and success.
